## Stepping In Agreement for \_\_\_\_\_

As a member of \_\_\_\_\_ at \_\_\_\_\_

I understand that I have a responsibility to keep myself and other members of this organization safe from harm or actions that can lead to negative physical, legal, personal, or academic consequences. I also understand that, as a member of this organization, I share the goal of keeping our organization free from problems that can affect the health or standing of the organization in the eyes of the campus and the surrounding community.

### ***I, therefore, agree to the following:***

#### **1. As a member of this organization, I authorize any fellow member to:**

- Say something to me if I'm making a choice that increases my risk of harm or negative consequences.
- Do something that stops or interrupts me from acting dangerously or recklessly toward myself or another person.
- Offer me feedback about my actions to help me avoid such risks in the future.

#### **2. As a member of this organization, I agree that I will:**

- Say something to another member of the organization who is making a choice that increases their risk of harm or negative consequences.
- Do something that stops or interrupts them from acting dangerously or recklessly toward themselves or another person.
- Offer feedback about their actions to help them avoid such risks in the future.
- Seek medical assistance for anyone who appears to be in physical distress.
